WOMAN AVOIDS OPERATION

Medicine Which Made Surgeon's Work Unnecessary.

Astoria, N. Y. — "For two years I was feeling ill and took all kinds of tonics. I was getting worse every day. I had chills, my head would ache, I was always tired. I could not walk straight because of the pain in my back and I had pains in my stomach. I went to a doctor and he said I must go under an operation, but I did not. I read in the paper about Lydia E. Pinkham's Vegetable Compound and told my husband about it. I said 'I know nothing will help me but I will try this.' I found myself improving from the very first bottle, and in two weeks time I was able to sit down and eat a hearty breakfast with my husband, which I had not done for two years. I am now in the best of health and did not have the operation." — Mrs. JOHN A. KOENIG, 502 Flushing Avenue, Astoria, N. Y.

Every one dreads the surgeon's knife and the operating table. Sometimes nothing else will do; but many times doctors say they are necessary when they are not. Letter after letter comes to the Pinkham Laboratory, telling how operations were advised and were not performed; or, if performed, did no good, but Lydia E. Pinkham's Vegetable Compound was used and good health followed.

If you want advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

tained their friends Wednesday night of this week with a well chosen and finely rendered musical program at Lipsky Opera House.

For Sale—Phaeton and harness, wagon and harness. Farm implements, wood cook stove, three heaters, combination laundry stove and water heater, one bedroom set. Mrs. C. D. Wallis, It.

Miss Lyde McKinstry, who is a teacher in the public schools at Dallas, Texas, is in this city, spending her vacation season with her parents, Mr. and Mrs. W. H. McKinstry.

The N. C. & St. L. depot at Oakland, we have been informed, was struck by lightning in the severe storm which swept that part of the county last week and was burned to the ground, completely destroyed.

Dr. and Mrs. C. J. Washington and little daughter, Eleanor, of Memphis were week-end guests of Dr. and Mrs. J. S. Washington, at the latter's home in this city, Mrs. Washington and little daughter staying over here for several days.

Manager J. C. Farris of the Lyric Airdome has been putting on some extra programs this week, one last night, Thursday night, which was one of the best he has had during the season. A large part of the proceeds last night went to the organ fund of the new Methodist church.

Miss Jennie Brinkley gracefully entertained the Dos-Wehen Club on last Wednesday evening in the plantation home of her parents near this city. The rooms were decorated with sweet-peas and ferns. Following the sandwich course, ices were served. After a late hour the Dos-Nehen Club adjourned to meet next again, June 27, with Miss Virginia Farris. "C"

The county board of equalizers which has been in session for some time adjourned Wednesday afternoon, having completed its work as required by law. In a good many respects the work of the present board was far heavier than is usually the case and the entire work consumed seventeen days of the board's time.

Fred Leach, Jack Cocke and Tom Humphreys, all Somerville boys, were among the Tennessee State Guard members who were called to service last week by President Wilson's orders. They were enlisted in Memphis companies and have gone to Nashville with their companies where they will probably be mustered into the service of the United States for service in Mexico. Zenophen Boals, last week, volunteered for service and went to Nashville to join others and go to the front.

A letter a few days ago from J. T. Douglass advises that he has moved from Zwolle, Louisiana, to Shreveport and asks that The Falcon address be changed to the latter place. He is now a member of firm of Gibson-Douglass & Gray, wholesale lumber and log dealers. He is a son of Mr. and Mrs. D. J. Douglass who live a few miles southeast of Somerville where he was reared. He was educated in the local public school and became a book keeper for a lumber company at Zwolle, Louisiana, where he has served until his removal to Shreveport.

Most encouraging, indeed, are the reports coming from over the county as to the present condition of the crops and the outlook for an abundant harvest this fall. Many tell us they have never seen such uniformly promising crops of cotton and corn, with many acres of other crops which are in the very best condition. Present seasons will mature many acres of the first planting of corn into a fine yield and much more will give a bountiful harvest with a few more seasons, while young corn is said to be looking well and in most cases is well worked and clean.

In another column this week we publish an offer of a special premium made by W. C. Crawford of Williston and to go to some exhibitor at the county fair this fall. There have been but few special prizes offered. Mr. Crawford made a liberal donation to the premium fund made up by the directors and is now offering this liberal special premium in addition. The special offered by him will be listed in the fair catalog now being prepared and it is very much hoped that other enterprising citizens will follow his fine example and offer other special premiums on some of their favorite animals or fowls or farm crops.

Drs. A. O. and J. O. Boals are this week moving their offices from the Lipsky Building on the west side of the square to a newly finished suite in the Henley Building on the south side, over D. C. Boyd & Co. The new rooms were laid out under the direction of the lessee and are modern and convenient in every respect, comprising reception and operating rooms, private offices, laboratory and pharmaceutical rooms, are neatly furnished and equipped with

The Kind You Have Always Bought

Bears the Signature of J. C. Fletcher

Come! Come! Come!

Only One More Week of the Greatest Sale---the Most Successful Sale---we have ever had.

COME AND SEE FOR YOURSELF! Prices away down. Remember that EVERYTHING has advanced. Meat that you once paid 6 cents for is now 17 cents. Sugar has gone up from 5 cents to 9 cents and Dry Goods, Shoes and Clothing are no exception, as we said the price on EVERYTHING has advanced, but we are selling most articles at the old price—Truly this is YOUR opportunity, for after this sale is over, goods will have advanced 25 to 33 1-3 cents on the dollar for the necessities in our line of merchandise just the same as in all other lines.

Summer is just now beginning and we have a very large stock of summer goods, full in every line, which we wish to turn into Cash, that is the object of this sale, and we are selling these goods at less than you'll buy them again for many a day. May be, never again. And we are really selling goods at less than we could replace them today, this is no idle talk just come and see for yourself. Make our store HEAD-QUARTERS, big "kooler" of ice water.

Remember the great Booster Chautauqua at Somerville June 23, 24, 25 and 26th. Make two killings at one time. Take in the Chautauqua and come to our Greatest Sale, and Remember, get what you need at our sale and

We Will Save You Dollars

NOTHING CHARGED AT SALE PRICES—SPOT CASH. Anything charged will be at regular prices.

modern appliances. Dr. A. O. Boals office have been located in the Lipsky Building for fifteen years. Dr. Jno. O. Boals will do largely an office practice and will be found in the new offices a large part of the time.

The recent Radcliff Chautauqua in this city was much interfered with by weather conditions and was not a success from a financial view point. But the entertainment given were high class and those who witnessed them were so well satisfied with them that about 40 citizens joined in a contract to have the Chautauqua here again about this same season next year. Those backing the movement here believe that, had the rains not interfered, the Chautauqua would have been a success financially and hence a number of them were joined with other citizens in guaranteeing the return of the Radcliff entertainments for three days during June 1917. This is the best possible guaranty of the good opinion in which the entertainments were held here.

The Quinine That Does Not Affect The Head Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness nor ringing in head. Remember the full name and look for the signature of E. W. GROVE. 25c.

Friday, July 21, has been set apart by the managers of the state experimental farm at Jackson as the date on which Fayette and Hardeman county farmers are invited to visit the farm and see the demonstrations being conducted

there. In former years the attendance from this county has hardly equaled that from other nearby counties, the last year was quite large, much larger than in former years. This year it is desired to have every farmer in this county who can possibly spare the time and expense to make the trip, fully believing that it will be time and money well spent. The farm is being conducted by the state with the sole purpose of bringing good to the farmers of Western Tennessee, and in no other way can a farmer get as much good from it as by taking advantage of these visits to the farm and seeing exactly what is done there. Let the farmers send their names to Mr. Moffatt here in Somerville or to Mr. Kyle at Oakland and make plans to attend this gathering on July 21.

WORDS FROM HOME.

Statements That May Be Investigated. Testimony of Somerville Citizens.

When a Somerville citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Somerville resident. No stronger proof of merit can be had.

J. G. Knox, State St., Somerville, says: I suffered from pain and lameness across the small of my back and I got so bad I couldn't stoop to tie my shoes. My kidneys acted too freely and I had to get up at night to pass the secretions. Lights seemed to flash before my eyes and I was often dizzy. It didn't take Doan's Kidney Pills long to rid me of all these troubles. I know that I am doing the right thing in recommending them to other kidney sufferers."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Knox had. Foster-Milburn Co. Props., Buffalo, N. Y. adv. 7-1

"Jack" Johnson Coming to Somerville.

There has been on the street a rumor that "Jack" Johnson would visit Somerville. This report was confirmed when it was officially announced at the Baptist church that Evangelist W. J. Ray of Alabama and his gospel singer, "Jack" Johnson, would begin a revival meeting in Somerville on July 2nd. This meeting is under the auspices of the Baptist church and the town as a whole is asked to attend and help the meeting on. Ample seating provision

has been made which will be announced later.

Evangelist Ray is widely known and a very strong and attractive preacher. Everyone is invited to attend all the services. Let those who live in nearby towns and community avail themselves of this old time revival meeting.

J. E. BERNSTESSER.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedial. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running ear or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; and cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free.
